## How to Calculate the Premium Rate for each Applicant

- Complete page 2 of the Application for Insurance by following **steps 1 and 2** on page 4. Add up the total score and copy it to line **4 FACTOR** in Section 3 – Premium Calculation on page 3 of the Application for Insurance.
- Calculate your age at the Departure Date from Canada.
- For Single Trips, using the correct age range in the Base Premium Rate Table, follow down the column until you come to the Day Band for the number of Days you require coverage.
- Choose the base premium rate based on your age and the number of days you require coverage for.
- Enter this rate in line **2** of Section 3 – Premium Calculation on page 3 of the Application for Insurance.
- If you want to buy our Annual Multi-Trip Plan, check the box indicating the number of days you wish to purchase. Put the corresponding premium from the Annual Multi-Trip Plan Base Premium Rate Table in line **1** of Section 3 – Premium Calculation, on page 3 of the Application for Insurance.
- Add the amounts from lines **1** and **2** and enter the result in line **3 SUBTOTAL** of Section 3 – Premium Calculation, on page 3 of the Application for Insurance. For each Applicant's premium, multiply line **3** x line **4** and enter the result in line **5**.
- If an Applicant is choosing the ADD-ON BUNDLE, they must add \$45 to the premium in line **5** and enter the result in line **6**.

Each applicant must read, sign and date the Application for Insurance at the bottom of page 3.

Mail us the completed application including full payment (cheque or credit card). You can also fax to 1.902.425.0550.

## Refunds

- Contact Maritime Travel at 1.833.767.1732.
- If you return early from your trip, you may qualify for a refund if you have not had a claim. Early return refunds will be calculated based on the premium paid, the date you enter Canada and the Day Bands as per the Rate Tables. If the total trip length still falls within the same day band, there is no refund. Refunds are subject to a fee of \$15 per person.
- Annual Multi-Trip Plan premiums and premiums for any extension(s) are not refundable.

## Extension of Coverage

If you choose to extend your trip beyond the A La Carte Travel Insurance policy expiry date, you must contact Maritime Travel at 1.833.767.1732 at least ten (10) days prior to the policy expiry date and pay any required additional premium. You must remain eligible for coverage under all sections of the A La Carte Travel Insurance policy and a claim must not have been reported, incurred or paid.

Any new medical conditions present on the date you apply for an extension of coverage will not be covered under the extension.

We calculate extension premiums by using the current Base Premium Rate Tables for the total trip length less the premium you have paid and multiplied by your Score. There will be a \$10 per person risk premium added to this result. A minimum premium of \$20 per person applies to each extension. Please see the A La Carte Travel Insurance policy for Extension details.

**NOTE:** Any words that are italicized and underlined refer to defined terms. **Definitions** for these terms are found on **page 4** of the Application for Insurance.

**IMPORTANT:** These documents are not your A La Carte Travel Insurance policy. An A La Carte Travel Insurance policy, tax receipt and wallet cards will be sent to you once your completed application is received by the insurer. A La Carte Travel Insurance covers treatment required only as a result of a medical emergency and has other terms, conditions, limitations and exclusions which may affect your coverage. For a full description, see the A La Carte Travel Insurance policy.

**Section 4 - Declaration and Authorization**

I am applying for A La Carte Travel Insurance (ALC), underwritten by Industrial Alliance Insurance and Financial Services Inc. (IA) I understand that this insurance can only be applied for prior to my leaving Canada. If I am paying for this insurance by credit card, I authorize this transaction to be charged to my credit card.

I understand that the Eligibility Requirements, as stated in Section 1, and my answers to I. Underwriting Questions on the Option Worksheet form part of the application/policy and are material to the risk and consideration for the insurance for which I am applying. I declare that all the information provided on this application is true and complete. I understand that if any material information necessary to complete this application is not disclosed, IA will void my policy coverage and I will not be covered for any benefits under the policy. Where I was unsure of my medical condition(s), as it pertains to this application for insurance, I consulted with my physician. I understand that in applying for coverage under the ALC policy it is my responsibility to be aware of all my medications and their purpose(s), as well as any medical conditions I have had or presently have. I understand that no statement made by me or any agent prior to or at the time of my application for insurance will be considered valid unless such statement has been documented and submitted in writing and accepted by IA prior to the completion of this application. If I am responsible for the payment of any deductible or found to be not eligible for this insurance under any section of the Application for Insurance or the policy, IA has the right to collect from me any monies paid out on my behalf.

I understand that the insurance applied for will not become effective unless the full premium and a signed (including any electronic signature) and dated copy of this application has been received by Maritime Travel. In the event that this application is not accepted for any reason, I will receive a full refund. I understand that all terms, conditions, limitations and exclusions in the ALC policy will apply and that only medical emergencies will be covered under this insurance. IA may use agents, brokers and service providers to collect, use, store and/or process personal information and personal health information on its behalf, and such information may be transferred to these entities for the purposes described herein. Personal information or personal health information may be collected, used, disclosed, transferred, stored or processed outside of Canada and may therefore be subject to legal requirements in such foreign countries. According to the Canadian PIPEDA (Personal Information Protection and Electronic Documents Act) and U.S. HIPAA (Health Insurance Portability and Accountability Act) Privacy Practices, this authorization remains valid until any claim pending or disputed under an ALC policy issued as a result of this application is settled unless an applicable law specifies a shorter period, in which case it would expire within the period applicable under that law. I understand that my personal historical medical records may be requested as far back as needed to satisfy the terms and conditions of the ALC policy. This will remain valid as long as there is a claim or dispute reported to IA. A copy or facsimile copy of this application and Declaration and Authorization shall be as valid as the original. I hereby appoint my spouse, my blood relation if travelling with me, or my substitute decision maker, to act on my behalf in the event that, because of a medical condition, I am unable to make the necessary decisions with respect to my health status.

Should I have a claim, I authorize any physician, hospital, pharmacy or other medical provider who has attended or examined me to release to and exchange with the Emergency Assistance Company or its representatives any and all information regarding my medical history, symptoms, treatment, examination or diagnosis for the purpose of administering the insurance, assessing the underwriting risk and reviewing any claim. The information contained in any of my medical records, including any results from investigative testing, will be the basis for assessing the validity of my policy coverage and any claim made. In the event that all required documents are not provided to the Emergency Assistance Company within 6 months following the date of loss, I understand that my claim file will be closed.

If this Declaration and Authorization is revoked, then no claim will be considered until after the Declaration and Authorization is reinstated.

**I understand that any change in my health status or medication between the date I complete this application and the departure date of any trip which makes me no longer eligible (as per Section 1 - Eligibility Requirements on page 1) for this policy, or which would result in a change to my answer(s) to I. Underwriting Questions on page 2 of the Option Worksheet, or would change the stability status of a pre-existing condition (other than a minor ailment), constitutes a material change to my policy and I must notify Maritime Travel immediately.**

**I understand that if I do not immediately contact Maritime Travel regarding a material change in my health status or medication, any claim may be denied and my policy coverage may be voided.**

## 5 steps to complete your A La Carte Application for Insurance

2019 – 2020 Season

NOTE: All premiums, benefits, and limits are quoted in Canadian currency unless otherwise specified

**1 You must meet all the requirements as stated in Section 1 – Eligibility Requirements of this Application for Insurance (see page 1) in order to continue with the Option Worksheet. If you are unsure of your medical history or conditions, contact your doctor.**

**2 Complete the Option Worksheet on page 2 of this application ONLY IF YOU ARE ELIGIBLE.**

Each section on the Option Worksheet from **I** to **IV** has check off boxes that are assigned a specific number of points. Simply check off the boxes that apply to you, add the corresponding point value to your score and after completion, add up the score points and put your total (including the 100 points for the basic coverage) in the score box at the bottom of the Option Worksheet for each applicant.

**Underwriting Questions (Each applicant must complete this section)** For full details, see **I** on page 2.

These questions must be answered to further assess your lifestyle and medical history. **If you are unsure of your medical history or conditions, contact your doctor.**

**Buy down your Pre-existing Condition Stability Period** — For full details, see **II** on page 2.

You qualify for a *pre-existing condition stability* period of **3 months** prior to any departure date unless you have answered YES to any of the questions in Section **I**, parts A, B, C, D or E, in which case, your *pre-existing condition stability* period will be the **6 months** prior to any departure date.

Reduce your *pre-existing condition stability* period from **6 months** to **3 months** prior to any departure date. (add 30 points)

If you had a replacement, elimination or an increase/decrease in dosage or frequency of a *medication* that was prescribed more than **3 months** prior to your departure date, you can reduce the *stability* period for the medical condition that the *medication treats* to **1 month** prior to any departure date. (add 35 points)

**Deductible Options** — For full details, see **III** on page 2.

The A La Carte Travel Insurance policy has a **US\$350** standard deductible per claim. This deductible will be reduced by **US\$50** for each consecutive prior season that you did not have a claim to a maximum of **US\$200** total reduction. If your resulting deductible is **US\$75** or more, than you can get a further **US\$50** reduction on your deductible if you visit a stand-alone clinic or doctor's office instead of a hospital or any *emergency* room—see *first page of the Brochure about further Deductible Reductions*. Add 10 points to have **\$0** deductible.

**Upgrade your basic coverage from the \$1,000,000 maximum** — For full details, see **IV** on page 2.

You can upgrade your coverage to a maximum limit of \$2,000,000 (add 5 points).

**Basic Emergency Medical Coverage**—For full details, see **Section 2** on page 1.

Basic *Emergency* Medical Coverage provides essential travel insurance benefits as a result of a medical *Emergency* while you are away from Canada. The maximum payable, unless you upgrade your coverage, is \$1,000,000. The Basic *Emergency* Medical Coverage is not an option, it is the minimum you must take for an A La Carte Travel Insurance policy. These basic coverages are also included in the Annual Multi-Trip Plans (8 Day, 16 Day, 32 Day, and 62 Day options).

**ADD-ON BUNDLE** — See **V** on page 2. Each Applicant selecting these benefits must follow the instructions in line **6** in **Section 3** on page 3.

**3 Calculate your Premium on page 3 of this application**

Follow the instructions on the back of the 2019-2020 Brochure carefully in order to calculate each applicant's premium and don't forget to fill in your important trip and coverage dates in Section 3, page 3 of this Application for Insurance.

**4 Each applicant MUST READ, SIGN and DATE the Declaration and Authorization at the bottom of page 3**

Once you have calculated your premium, please read the Declaration and Authorization carefully—**Section 4** on page 3. If you agree with the statements, each applicant must sign and indicate the date of your signature at the bottom of page 3.

**5 Fill in all the information required on Page 1 – Applicant Information and mail us your completed Application with payment.**

### *Note from Maritime Travel:*

Certain provinces and territories are discussing the elimination of reimbursement from the Government Health Insurance Plan (GHIP) for Out-of-Canada claims. Ontario has already announced this change. Other provinces and territories will likely follow.

We would prefer not to raise rates to cover this extra claim cost, so we have done something fair and reasonable. This is called GHIP Replacement Cost.

If your province or territory does not offer reimbursement for any Out-of-Canada medical expenses at the time you have a claim under this policy and there are eligible medical expenses for a Hospital or Emergency Room (ER) visit, you will be required to pay US\$260 for the GHIP Replacement Cost. This US\$260 charge cannot be waived.

However, if you only have eligible medical expenses at a stand-alone clinic, dentist or doctor's office, the charge for the GHIP Replacement Cost will not apply.

The charge for the GHIP Replacement Cost is in addition to any deductible amount you have on this policy.
